|---|--|--|

Please make sure your email address is correct. The FARC Newsletter is normally sent to email addresses only because of cost which is now about \$1.00 each if printed and mailed. Although almost everyone has an email address, we will still send some mailings upon special request for those without internet access.

Line three above is asking if you are an ARRL member (Y or N) or an ARES member (Y or N). We track ARRL membership because we are required to maintain a certain percentage to keep our ARRL certifications. ARES membership info is required so that the back of your membership card will show ARES for ARES identification. For ARES members, there is training that you should complete to participate with formal emergency organizations in big emergencies. The needed NIMS courses for participation with those formal emergency organizations are mentioned above in the special interest section. There is a ARES net on 145.47 on Thursday evenings at 2030 hours (open to all) and many fun ARES public service events during the year, often with FREE T-shirts for participants.

For the 6th and 7th lines above, if there is more one licensed ham in the family at the same address, all may be members for FREE after one paid membership.

Please complete the above and return this sheet along with your dues to address below or give to Henry, W2DZO at the next Club meeting. Even if your dues are paid please return this information sheet so club records and your emergency contact info can be kept up to date.

**Forsyth Amateur Radio Club, Inc.**  
 PO Box 11361  
 Winston-Salem, NC
